CAMPUS CRIME REPORT

Most of you know the drill. These are all crimes, policy violations, reports of property damage, and anything else noteworthy that occurred at Denison from 8/16-8/25. The daily crime log is public information and is mandated by the Clery Act of 1990. Names are not tied to these reports due to federal privacy mandates. Not all records in the log are reported here a various number of reasons, either because they were duplicate entries for the same event, they documented the transport of an ill person, or because they were so mindnumbingly boring that we didn't feel like they'd be news to anyone. GPD stands for Granville Police Department, LMH stands for Licking Memorial Hospital, and ATZ stands for Alcatraz.
