BIO RESERVE ALIGNMENT CHART

The Denison Biological Reserve is a beautiful stretch of Ohio wilderness that is most frequently used by stressed out Environmental Studies majors, stoned First-Years, and maskless Granville residents. If you've never been, go, and save the "i DoNT KnOW HoW tO GeT ThEre," I've heard it a million times. Read a map.

If you have been to the bio, congrats, I guess. I don't know, do you want a medal or something? Anyway, here's what your favorite spot in The Bio says about you as a human being.

LAWFUL GOOD: *The Field Station*

You're probably a Bio major and you only come out for class. Pathetic.

NEUTRAL GOOD: *The Big Field*

You know the one. Hella deer. Great for vibing and cute lil' First-Year picnic dates. You're probably an artsy bitch.

CHAOTIC GOOD: *Catalpa Trail*

Y'all fuck with Conifers? Respect. You definitely smoke weed.

LAWFUL NEUTRAL: *White Tail Loop Trail*

You "looovvveeee nature <3" but you're too scared of getting lost to stray from the beaten path. Your lengthy strolls are half-assed attempts to cover up your crippling social anxiety.

TRUE NEUTRAL: *Some fallen over tree somewhere idk*

You want to DRINK goddamn it! Fed up with East Quad, you resort to playing drinking games on a decaying log in pitch-black darkness with no conception of time.

CHAOTIC NEUTRAL: *Taylor Ochs Trail*

You're not like the others. You're just built different. White Tail Loop? That's for rookies. You're a human compass. You know the bio like the back of your kneecaps. You eat trail maps for BREAKFAST!

BIO RESERVE ALIGNMENT CHART

LAWFUL EVIL: *Swallow Trail*

The sexiest trail. You like coming here with your significant other, getting on your knees in the trees or stickin' it in the thickets! Hit it from the back in the backwoods. No kink-shaming here, you do you. And remember to wear a mask!

NEUTRAL EVIL: *Solar Array*

You're really not supposed to be back there. You love the sensation of getting electrocuted by live wires and broken solar panels. Definitely would be a great spot to play Hide-and-Seek though.

CHAOTIC EVIL: *The Bathtub*

All my homies hate The Bathtub. The communal showers in Crawford probably make you uncomfortable so you prefer to bathe in total isolation within the confines of a rusty metal bowl. Try not to get Tetanus.

MOVIE REVIEW

TENET (2020)

I watched this movie on a really low-quality stream on my phone this weekend because public movie theaters are cesspools. Can I get arrested for publishing this? Maybe. Do I care? Not enough.

Fuck the entire premise of this movie.

If you like headaches have fun.
