## THE SOUND OF SIRENS

Hello Denison, my old friend  
 I've come to talk with you again  
 Because a sound loudly blaring  
 Left its seeds while I was sleeping  
 And the vision that was planted in my brain  
 Still remains  
 Within the sound of sirens  
 In restless dreams I walked alone  
 From slayer to my comfy home  
 'Neath the halo of a street lamp  
 I turned my collar to the cold and damp  
 When my eyes were stabbed by the flash of a red and blue light  
 That split the night  
 And touched the sound of sirens  
 And in the naked light, I saw  
 two thousand people, maybe more  
 People talking without speaking  
 People hearing without listening  
 People sitting outside of crow  
 And no one dared  
 Disturb the sound of sirens  
 "Fools", said I, "You do not know  
 sirens are my greatest foe  
 Hear my words that I might teach you  
 Take my arms that I might reach you"  
 Please don't pull the fire alarm for fun  
 because it makes the sirens  
 And the people bowed and prayed  
 To the very loud god they made  
 And the sirens flashed out their warning  
 In the fog that it was the morning  
 And the sirens said, "WEEWOOO WEEEWOOOO WEEEEWOOO WEWOOO"  
 And whispered in the sound of sirens

## A LIMERICK

There once was a prospie from philly,  
 who thought that his name was billy  
 but in the end  
 he never could blend,  
 because his name was Brospilly

*-William Kelsey, Poet*

# THERE ARE NOT ENOUGH LEGOS IN THE OFFICE

There are not enough Legos in the Bullsheet office. Sure we may have the sad remnants of one set or the other (I think it is one of those old monster hunter sets) but nowhere do I see the gems of the Lego Universe. Where is the Castle from Lego Kingdoms? Where is the Pirate ship? Where is the Death Star (the big one)?

How am I supposed to focus on writing hilarious and relatable new content when I do not have to worry about dodging plastic bricks each time I walk? What am I supposed to choke on like a toddler? Megabloks!?! Hell nah, I wouldn't be caught dead with a face full of slobber and a fist full of megablox.

Based off the size of the office I think we could fit at least three lego super star destroyers. With all of our nearly \$2,837.73 budget going toward buying legos I think we could afford to get the aforementioned sets.

After purchase I will watch all of the editorial staff build them and then when they aren't looking I will break them, steal all the cool minifigures, and help them look for the pieces I stole (all in the name of added realism).

I will then commence to put all of them back together to create the ultimate space ship that is so fast it can fly back in time and kill your guys before they are even born, so your death ray doesn't work anyway, so what if mom said I should let you win every now and then. It's not gonna happen, no uh it isn't. Stop it! STOP IT! MOMMMM!!! Jack May took my special Lego! He's not giving it back! MOMMMM! MOMMMM PLEASE! It's not fair!! Why does he get to take my LEGOs!! Make him stop! make him give me back my lego! NO I CAN'T SHARE!!! It's my lego!! I stole it from cousin Benjamin!

*William Kelsey,  
average lego enthusiast*

## DOES IT SPREAD!?!

Sometimes I wonder if things are spreadable. Is liquid spreadable? Is bread spreadable? The world may never know. Until the day that these extremely pressing questions are answered here is my list of top 10 things that you can spread!

- 1) Honey: MMMM tasty.
- 2) Mustard: Oh yeah, let me slurp all that up
- 3) Soup: Nom nom nom nom, spread the soup on the bread
- 4) Cheesy Spread: Delicious! I personally prefer pimento cheese spread, or a good buffalo chicken spread. But lots of spreads are pretty good.
- 5) The Inside of an Uncrustables: This delicious combination is not available in the wild and has to be harvested fresh from the inside of an Uncrustable! Tasty!!
- 6) Danimals: I had a friend one who's dad worked for Danimals. They were cool!
- 7) Caviar: Never had this! But I bet it is spreadable!
- 8) Virulent Pathogens: Magically Delicious!!
- 9) Wildfire: I like my toast a little on the crispy side!
- 10) The Word of God (Mormon DLC): YEEHAW! go get it I guess! send out all those funky little elders and sisters with their funky little outfits!
