4 REASONS WHY I COULD KICK POPE GREGORY XII'S PUNY LITTLE ASS

Listen here you shits, Let me tell you all about how Pope Gregory XII is a complete piece of work who has ruined my life (and yours) in innumerable ways, and deserves to be exiled to the deepest rungs whatever afterworld you believe in (I don't give a fuck what he believes [no hate to the catholic church, I just hate Greg]). **DISCLAIMER:** I dislike the Gregorian calendar and am taking my anger out on the man who founded it. I mean no ill will to Roman Catholics, and appreciate their contributions to the fabric of Europe. I acknowledge that there is a history of persecution tied to Roman Catholicism in the U.S. especially in the early 20th century, and do not mean to belittle Catholics. This is about the calendar and not the church.

1. MAN THOUGHT THE GREGORIAN CALENDAR WAS A GOOD IDEA

Fuck off greg. The Gregorian calendar is a piece of shit and makes me want to rip my eyes out of their sockets. Why does the number of days change? Why is June 5th not always a Monday? Like there are very easy ways to optimize this calendar greg but noooo it's too hard. Fuck off piss boy

2. MAN WAS INVOLVED IN A LOT OF IMPORTANT HISTORICAL EVENTS

Guess what my favorite catholic holy day is! It's saint bartholomew's day! Good thing we know what day st bartholomew's day is because of the newly added Gregorian calendar! Hahahha! Got you! The Gregorian calendar wasn't added till ten years after! So you need to do a silly little conversion from the Julian Calendar to the Gregorian calendar to know what's going on

3. HE WAS THE FIRST POPE TO RECEIVE VISITORS FROM JAPAN.

Okay this one is actually kinda cool. Too bad he didn't learn about a better calendar system while they were in Italy.

4. BIG FAN OF THE JESUITS.

We love organizations deeply involved in the censoring of knowledge, the exporting of cultural dogma, forced conversions, and slavery! Great job Jesuits, keep at it! Too bad that while they were out in the world making colleges and forcibly converting native peoples they didn't censor the one real threat to my happiness (the Gregorian Calendar)

TOP TEN TOP TEN LIST IDEAS

I have absolutely no ideas anymore. Senioritis has hit, every funny and original idea has already been had, and my brain has become a sort of soft cheese that's devoid of creativity and the ability to create content. Sometimes I like to read old sheets or steal top ten list ideas from BuzzFeed, but I was feeling extra lazy today. Pressed for time, I decided to call up ten of my closest friends and ask them what they'd do for a top ten list. Everyone was surprisingly enthusiastic, which was absolutely not what I was expecting.
