POTTY BULLSHEET (AKA TOILET PAPER)

I am sure that at least one time (sure to be more...) you have picked up the Bullsheet and said to yourself, "Well, this sure is filled with crap". You've thought it, we've thought it, DCGA's thought (see our brief de-funding circa August-September 2021). BUT! Using that same mentality there is probably only one sweet place that you might actually be thankful for the Bullsheet's presence. While passing a stool you may find yourself in such a predicament of boredom that a 2 sided paper is the perfect amount of distraction for one deuce sitting. So please enjoy this special edition that I lovingly like to call "Bullsheeting Your Brains Out".

SUDOKU

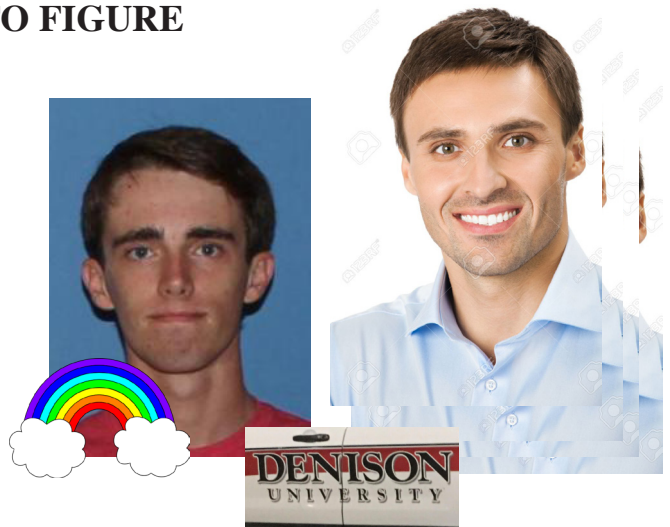

What are two things that you think are stressful? If you were to ask me, I'd probably say **Sudoku** and **unplanned pregnancy!** As Eleanor Roosevelt once said, "Do one thing every day that scares you!" So taking the advice of this very ugly woman* I decided to help my student body with not only puzzles but also promote safe sex! The only way you can solve this sudoku puzzle is if you can identify the 9 stages of pregnancy! (or if you can read the *super, super* small writing from the images I stole). Best of luck!

**Read a history book, bitch!*

WHICH ONE IS BLYTHE?! (VERY FEW ARE SMART ENOUGH TO FIGURE THIS OUT!)

Being a full time student and an unpaid employee of the Bullsheet can really be a lot, but when you're lucky enough to have dreamy coworkers such as Blythe the work always gets done faster, at least that's what our Managing Editor Jack May thinks!

Try solving this *difficult* puzzle curated by Jack himself! No problem if you can't figure it out, the solution is kindly provided upside down!

Blythe is the kind man with rainbow beside him, or, to say more plainly, the fellow on the left. The man on the right is Joaquin Phoenix repeated offender of vehicular manslaughter.

BATHROOM MATERIAL (CON.)

Wow! Already onto the backside of the Shitsheet without having to wipe your own? Hmmm sounds like you need more fiber. Or maybe.... not food for the bowels or the stomach...perhaps food for your soul?? I reached out to the *teast* most philosophical writer on the Bullsheet to give a little input on what the stars are saying for you.

MICK SMITH'S STAR SIGN READING

I have spent years studying the stars, planets, and the universe. This month Mars is in retrograde with a slight tilt of Jupiter, and a double angular trajectory within Neptune that is pointed directly at Saturn, that is in quadruple pythagorean rotation. Not to mention the double helix flex capacitor that is mirroring Uranus. These are the readings I was able to gather...

ARIES: You will shit your pants after eating Huffman

TAURUS: It's okay, tell that annoying and loud kid next door to fuck off

GEMINI: You are going to give Mick Smith \$100

CANCER: You are going to end up hammered on beaver beach this Saturday pondering the question of what existence is

LEO: Your favorite band will be The Cuties

Editor's Note: *gag*

VIRGO: You are going to ace that exam

LIBRA: You are not going to ace that exam. Sorry bro.

SCORPIO: Stop talking. Just stop talking. STFU.

SAGITTARIUS: You will have "September" by Earth, Wind, Fire stuck in your head for the next two weeks

CAPRICORN: You are going to get jumped by Kappa Sig or you will jump Kappa Sig. It is unclear.

AQUARIUS: BEEEEPP BOOOOOP BEEEEEP BOOOP

PISCES: Call your fucking mom and tell her you love her

Editor's Note: I would just like to remind our readers that the following three words are interchangeable: Mick, Gaslighting, & Astrology

-Mick Smith, Know-it-all
