## ADOPT A HAUNTED DOLL, SAVE A LIFE

It's October, and you all know what that means...the time of year when the veils between our world and the next dissolve, and haunted dolls become the most active! Any good doll handler should expect a sharp uptick in otherwise normal phenomenons such as whispering, draining energy, and moving, but also prepare for increased violence, malicious activities, and poltergeist behavior.

Unfortunately, October is also the time when the highest amount of haunted dolls are abandoned, discarded, and thrown away like trash. New and uninformed buyers who don't do their research will quickly give up their dolls around this time. That means that the adoption market on eBay is booming right now, giving good-hearted folks a chance to adopt the haunted doll of their dreams.

With that said, here are some recent listings for possessed dolls in need of a home. Take a second out of your day and consider helping a less fortunate spirit this Halloween season.

**FUN THINGS TO DO WHEN SOMEONE TELLS YOU TO HAVE COFFEE WITH YOUR POLITICAL OPPOSITION (for the 23rd time)**

- 1) Have coffee (with a twist): So just having coffee is boring, why don’t you mix it up? get like 12 small black coffees and add random items to each one, LSD, Laxatives, Shitty K, a small baby doll... and then just play russian roulette while discussing politics.
- 2) Throw rocks of the south quad overlook: Monkey brain say throw rock off high place. Nothing like debating if stoning should be legal while hoisting mid sized boulders off a hill.
- 3) Give them a crisp handshake and don’t let go: Nothing lets you see deep into the soul of a person quite like staring into their eyes during a 30 minute handshake.
- 4) Schedule a knowlton center appointment for them: it’s important to do your best for all people out there, even if you don’t agree with them. Why don’t you help them get a start on the stressful process that is applying for jobs/grad school?
- 5) Invite them to your weekly Haiku-a-thon: When you see a foe, just one thing you surely know, Haikus are so cool.
