Mostly A's: Cereal Guy

You never know what to expect in life as everyday is a new surprise. You are often doubtful of yourself and others, and stubborn when it comes to changing that. You're often told that you can be a bit much at times, especially when it comes to reactions, but a drama queen always needs to shine!

# U MAD

# BRO?

Mostly B's: Troll Face

Congrats, you are not most disliked person in the room but also not the most liked! In fact, most of the time, you're just a little piece of shit that can get a laugh out of people. No one knows your true intentions because you are the jester among the court. Do you even take yourself seriously?

# LIKE A BOSS

Mostly C's: Like a Boss

You're a baller and you know it. You get shit done and go home to enjoy your life because that's what a boss like you deserves. After grinding hard all day, you like to unwind by indulging in the finer things in life (whatever that might mean for you.) Who can blame you? You earn what you get in life.

Mostly D's: Thumbs-Up

Sometimes an overwhelming neutral presence like you is necessary to have in life. Not everyone needs to be a lovable or notable character. In fact, we can't enjoy those people as much without people like you, the white bread that pales to them in comparison! Thanks for all your contributions, friend.
