ADOPT-A-GUY

Ever wanted a little guy of your own to hold, nurture, cherish, and love as if he was your own? Scared by pregnancy and too broke to pay for surrogacy? Hate the legal process of adoption? All your fertilization petri dish experiments have failed? We hear you, and that's why we took on the task to find the best, most adoptable guys out there.

TOMMY

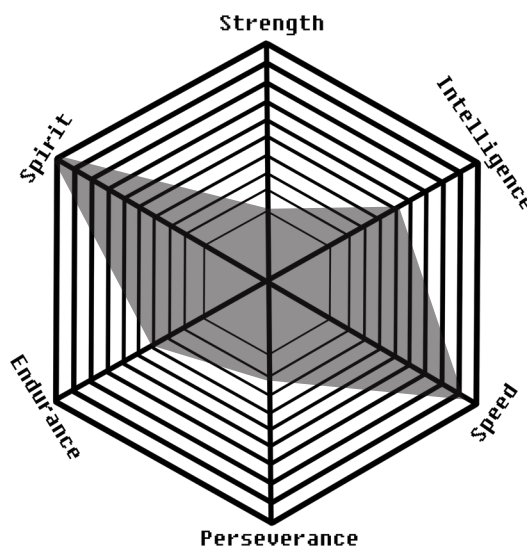

Age: 29, parties like he's still 21!

Height: 5'7" w/ his special shoes

Status: Neutered

Personality:

- Requires lots of visual stimulation (specifically 1-hour trippy visual compilations on YouTube.)
- Has already accepted his fate.
- Severe attachment/abandonment issues, but will love you like no one else has.

AL & FRANK

Ages: 46 and 48 respectively

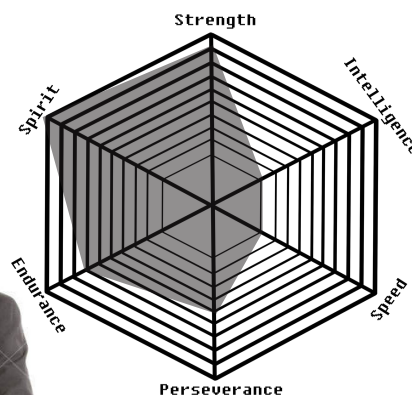

Skills: Able to reverse mitosis into one entity.

Statuses: South Philly Sicilian

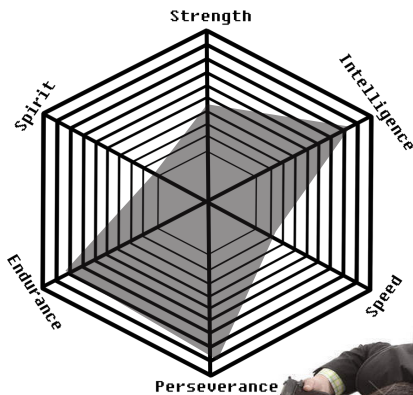

Personalities:

- Al is shy and takes some time to warm up to others. Likes to hide small animal bones around the house and scurry beneath the floor boards.
- Frank is loud and outspoken. Hates microwave dinners and will kill on sight, without hesitation, when Al isn't there to keep him in line.

Frank

This is a **BONDED pair, meaning they **CANNOT** be separated during adoption. It will cause emotional distress, and violence on Frank's behalf.*

Al

ADOPT-A-MORE-GUYS

SALVATORE

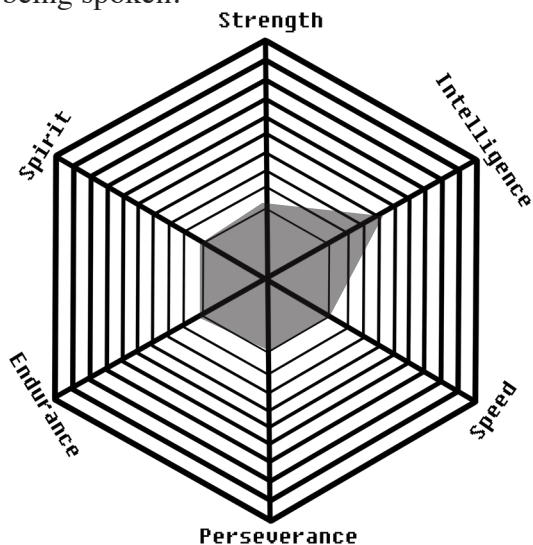

Age: 36, looks 17 when shaven clean

Motto: "The ancient wisdom of the sword flows within my veins. I can feel the Dragon rising."

Status: Ready to defend your honor and sacred name.

Personality:

- Extremely difficult to deal with when his mouth is open and words are actively being spoken.

???

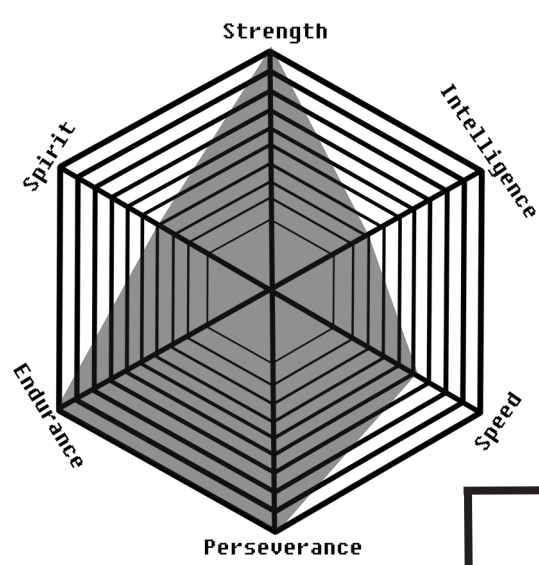

Age: Unknown. All birth records have been lost.

First word: Truck

Status: Baby

Personality:

- Frighteningly strong for his small stature. Capable, and enjoys, lifting extremely heavy objects such as trucks, motor homes, and dairy animals.
- Still can't spell or read, but that's probably okay at his age?
