# DENISON MISSED CONNECTIONS

We were outside of Slayter. I was sitting in the lawn chairs. You were circling overhead.

You had the 6.2ft wingspan and beautifully quaffed hair. You dropped a single feather, which landed beside me.

You have stolen my heart. Meet me in the graveyard, and I will feed you fresh carrion and live insects.

Do NOT contact with unsolicited services

It was night, about 10:30pm. You were in the middle of the road searching for fresh vegetation. I almost ran you over. You were already gone before I knew what had even happened.

I saw you again today walking back to my dorm. You stared right through me like you didn't recognize me... Are you mad at me? I didn't mean to.

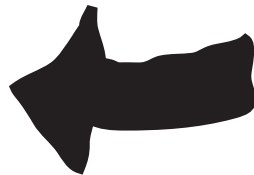

Let's talk this out.  
Bioreserve tomorrow, 4pm.

## DRAW YOUR OWN BULL

A fun activity for students and staff of all ages. When finished, cut it out and throw it away immediately.
