THIS WEEKS HOROSCOPE

I have come to you through the wandering mists to deliver, from my eyes to yours, what your week holds. Read below to find what the stars have decided upon for you. Or remain in ignorance, it makes no difference. Fate is fate.

Aries - The chagrin you feel is justified. Do not ignore it! Speak up about how you feel... you deserved a B on that paper and you know it. I foresee office hours in your midst.

Taurus - The Virgo, yes, that one, they are plotting against you. Thwart their attempts on your honor by wearing yellow this Thursday. Avoid garlic after 6pm EST, to be safe.

Gemini - You thought you could keep it a secret, but they know. We all know. This week will bring hardship because of your hubris, but it will pay off in the end. Double knot your laces.

Cancer - The wind whispers to you... Hear it as it tells you to wash your sheets. It's time. It's too late into the semester for you to have not washed them yet and it's getting really gross.

Leo - All the worlds a stage, but you can tone it down a little. Indoor voices, please. Watch your step as you climb the stairs on Tuesday.

Virgo - The Taurus knows. They can sense it. Act fast. Tomorrow, maybe. Otherwise it'll be too late.

Libra - It is equality you seek, but you will never be one with the birds. If you continue to carry feathers in your rucksack, I fear you shall face a feverish fate... Perhaps look into a Bird Flu vaccine.

Scorpio - Trust your immediate instincts this week. Follow where your hands lead you. Take note of where your eyes fall. Bring us to Bao Buns. You are our only hope.

Sagittarius - Your time nears, and you can feel it. Wednesday, your favorite sweater will call to you. Don it and journey forth into the day. Wear thick socks.

Capricorn - You have been thinking of joining the Swim Club. The time is nigh. Dive in head first but remember: freestyle can only get you so far.

Continued on back...

WHAT'S IN STORE 4 U

Aquarius - You have entered a holding period for the next month. Things shall come and go, but you may experience difficulties in locking things down. This, too, shall pass. If not, try staples.

Pisces - Vegetables are vital to your health and well-being. You cannot live on Huffman salad bar eggs forever. Grow up.

All this is true I think. Until the week beyond this, journey forth, journey safe. And remember: never pee in the dark during Witching Hour lest you invite Her to your mirror.

MICHAEL THOMAS WHITE: PITCHFORK REVIEW

ALBUMS

Slivy's Live

Michael Thomas White

2022

By Betsy Wagner

GENRE: Tik Tok

LABEL: Wallace White

REVIEWED: October 3, 2022

With \$100 in his pocket, Michael Thomas White (colloquially known as MTW) gives senior trivia their bravest performance yet.

Hope springs eternal in MTW's fantastical world. His optimism is one of the most spiritually nourishing things about his work. With disco lights filling the cozy convenience store/restaurant/recreation space named Slivy's, Matthew Thomas White had fans comparing him to the likes of Elvis, Harry Styles, and others. This viral Granville singer and entrepreneur had many lurking surprises in the bass filled performance. Clever choreography had the audience running like a "track star" and earnestly curious to see where the performance was going. Although unclear on whether MTW still has his job in finance or not, the audience was impressed to discover his history with the well known party supply store chain - *Party City* - as a model for "Mullet Wig". While interacting with fans, he confessed that his favorite song he'd wrote was, "Are You Proud of Me?" This has us easily exclaiming, "Yes, MTW! We are proud of you!" This point was further proven when he contributed his intellectual prowess to a team at Senior Trivia, utilizing his Northwestern degree in Economics. Teeming with a Tycoon-like fervor, Michael successfully sold his merchandise to various contestants, but with a generous "friend discount" truly proving the tender, loving nature of MTW, rounding out his whole performance.
