HALLOWEEN BY THE NUMBERS!

Well, that was certainly a Halloween for the books! So many things happened to so many people who were dressed as so many different things! Some good, some bad, some devilish, some witchy, and some weird. It was hard to take everything in, as there was just so much to see! Luckily, The Bullsheet staff spent the weekend undercover tirelessly keeping tally of all the shenanigans.

215 Halloween pregames

54 batches of jungle juice

4 tired Campus Safety Officers

300 bagels made at the Snatch

8 (at least) people dressed as cops (why are we still doing this?!?!?)

60 cowboys

WHAT YOUR FAVORITE CANDY SAYS ABOUT YOU

You wake up hungover after a wild night of trick or treating and reach for your favorite halloween candy. What candy did you picture? Let's use that for an official psycho analysis:

Kit Kat or Twix - You're basic and you know what, that's okay. We love you anyways.

Reece's, Hershey's or Snickers - You're basic and you could use some new experiences.

Milky Ways, Swedish Fish or 3 Musketeers - You pride yourself on being different. You're a little basic

M&M or Skittles - You love organizing things by color! You also have OCD so that double space between "you" and "love" is killing you. Also why is this line so much longer than all the others? This is all wrong! M&Ms or Skittles would never treat you like this!

Jolly Ranchers, gobstoppers or suckers - You suck lol

Candy Cigarettes - You now suffer from depression and/or a nicotine addiction

Sour Patch Kids or Starbursts - Results range from cool to lame depending on the color picked

Nerds - You loved doing "shots" of boxes of nerds as a kid. You're now on track to alcoholism

Candy corn - You're a child

Tootsie rolls - Why are you reading this line? No way tootsie rolls are your favorite. Do better.

Almond Joys - You're too concerned about being healthy, treat yourself to a mounds

Smarties or Whoppers - No one is excited to see you at parties

Butterfingers - No one is excited to see you

Not on the list - Either you're super quirky and endearing like the 2007 film Juno or just an NPC in someone else's college experience
