THINGS I WILL NEVER DO (AND YOU SHOULDN'T)

I'm pretty open to the twists and turns of life and like to think of myself as an adventurous person. I would even go so far as to call myself "fun". However, there are some things I will just never do. They are simply too far. I have compiled them into a list and I encourage you to come up with your own, that way you know where your boundaries are (just in case).

1. Rush Kappa Sig.
2. Wear white after Labor Day. (Or is it before? Moment of truth, I only put this one so I'd look like I know about fashion and you guys would think I'm cool.)
3. Have a genuine conversation about how Pulp Fiction is a "revolutionary piece of media" and Quentin Tarantino is a "genius".
4. Be an unpaid intern for Adam Levine.
5. Attend a DCGA meeting.
6. Pronounce Waco (the band) correctly.
7. Say anything bad about Shakira. Ever.
8. Walk 500 miles (and walk 500 more) just to be the man that walked a thousand miles to fall down at your door.
9. Buy one of those Canada Goose coats that are apparently super expensive?? It's a coat?? Calm down????!!
10. Yik yak about my love life.
11. Go to a Cuties show and NOT freak out about the fact that there's a saxophone. (Claire Anderson fan club <3)
12. Watch a single Star Wars movie.
13. Admit that I listen to the Smiths.
14. Anything illegal! (Hi mom are you proud of me)
15. Let someone say the word "come" in a sentence without making a joke about it. (Ex: "I'm gonna come over." "You're gonna WHAT???" Feel free to steal, it's a great joke.)
16. Read anything Colleen Hoover has written.

Continued on back!

DON'T DO THESE FOR THE LOVE OF GOD

17. Listen to AJR.
18. Wait in any line that's longer than 45 minutes. Patience is a virtue that I do not have.
19. Spend a single second of my life watching Gilmore Girls.
20. Write for the Bullsheet. Sooooo embarrassing.

I could come up with a lot more but frankly I don't want to. Hopefully I've inspired you to come up with your own limits, so you can feel ready and confident to take on the world. Or even just the mailroom line.

HAPPY BIRTHDAY MALCOLM!

Once a year the most important day comes around, one that should be celebrated by all! Our most beloved and steadfast reader, Malcom, had a birthday this past Saturday (December 4th [a fellow Sagittarius <3]). This jolly fellow emails us with some of the most intriguing, insightful and kind comments we could ever ask for! So to highlight this awesome crony here are some of his best hits straight from our inbox!

Get this. One of my "friends" just started reading the sheet to me out loud. Like, come on dude. I've obviously already read it 3 times today! Seriously, some people just don't know what it's like to be a real Bullsheeteer.

Second of all, I hear that queen lady died. How old was she? 90 something? Wasn't Betty White like a billion years old when she died or something? Maybe she should've been queen. That would've been interesting to see! I think the next queen should probably be Queen Latifah. She already has Queen in her name and they say you should dress for the job you want. I think after all these years, she's definitely earned it.

I just wanted to quickly shoot you an email and make sure everything is okay. Maybe I just couldn't find it or something, but I didn't see your daily sheet in Slayer today. Is everything alright?

Hey Sheet,

Real quick question for you: When's the issue with the Staff "Things I've shoved up my arse" Box coming out?

Love,
Malcolm

So, Malcolm please enjoy this staff box, just for you and for your birthday! We adore your dedication!
