ASSESSMENT RESULTS

Mostly A's - **Realtor**

People especially talented in the Realtor theme love taking on new challenges, such as selling stunning 10-acre properties. Networkers who are driven to succeed, they often achieve their goals simply through confidence and woo.

Mostly B's - **Manipulator**

People especially talented in the Manipulator theme are adept at turning any situation to their advantage through girl-bossery. Both their gaslighting and manifestation techniques are always hard at work to ensure they get what they want.

Mostly C's - **Chilling**

People especially talented in the Chilling theme have little defining qualities outside of being a real pleasure to hang out with. Able to adapt to any given scenario, they always find a way to continue maintaining good energy.

Mostly D's - **Miscommunicator**

People especially talented in the Miscommunicator theme mean well but often make mistakes. While they offer little in merit, they are great to have around as a scapegoat or court jester.

Mostly E's - **Awoken**

People especially talented in the Awoken theme are keenly aware of the fact that they have fulfilled their purpose in life. They seek higher spiritual meaning and like oracles, revel in receiving and sharing divine truths.

AN OPEN LETTER TO DENISON UNIVERSITY

Dear Denison,

Hello. It's me. You know who I am. And I know that you've been dreading this day, but it's happening. I'm addressing it.

What is "it", you may ask? Well that's an incredibly stupid question.

"It", of course, is Buzzy. That's right- the Buzzard. You know him, you (should) fear him.

Allow me to set the scene-

It's Monday, August 29, 2022. I, a young and bright-eyed sophomore, am setting out for my first day of classes. I'm excited! My major is declared, my dorm is sort of decorated, and the sun is shining. I walk with an optimistic skip in my step, stopping to high five strangers. Think Good Morning Baltimore meets the general vibe of Annie (2014). I have high hopes for the day.

And then, without warning, I'm VICIOUSLY ATTACKED (or, to be more specific, my eyes are attacked) by Buzzy the Buzzard. The most horrifying creature I've ever seen is but a few feet from me, taking pictures with students! I'm appalled! Who let this monster onto our campus? He looks into my soul with his weird dead eyes and I swear to god I hear him whisper, "You're next." Next for what, Buzzy?

What should've been a celebration of the year to come quickly became a living nightmare. I sped through A Quad like I was in a horror movie, heart pounding, eyes glued to the concrete beneath my feet. You would've thought I was a Scooby Doo character the way my head swiveled to survey every room I entered all day.

Thankfully, I managed to make it back to the dorms with no Buzzy interactions. (My running theory is that he knew I would've beat the shit out of him if he approached.) But even when I reached my home, my SANCTUARY, I still couldn't escape the horror as my friends excitedly compared pictures they got with him. My safe space was no longer safe.

Ever since that day I've lived in constant terror. My life is a living hell. Every day I wake up thinking, "This could be the day. This could be the day that he returns."

And so, Denison, I have but one request from you. A formal promise that I will never again have to face the Grim Reaper that you call Buzzy. Promise me that you'll keep him away from my beautiful campus, this place I love so much. Because you see, Denison, I'm really protecting you. I'm protecting you from yourself, and from the monster you've created.

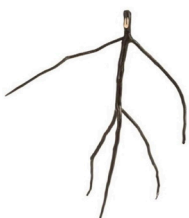

I can only hope you take my request to heart. For my sake and yours.

Sincerely,

Micah
