MORE EAVES DROPPIN'

The following quotes are some of the most invigorating, impressive, and downright intellectual conversations that I have overheard around this great campus in the last couple of months. I hope you enjoy another installment of Eaves Droppin'.

“You say shit that’s outta pocket but like, in a personal way.”

“You can hear the sun.”

“I just wanted attention and I was gonna say anything to get it.”

“I’m having a mental breakdown.” (Loudly from the library)

“Why is everyone from Michigan so short? That’s what I wanna know.”

“I think it’s okay to be xenophobic to European countries.”

“I’m not saying I got edged by the f***** Hoaglin Wellness Center!”

“No its hard cause I feel for her but I really fucking hated her.”

“I almost gave my fake to the Ohio State lady.”

“When I get drunk I get really passionate about Red Tech.”

“That sounds like Johnny Depp impersonating a Native American. He did it in that Disney movie.”

“That’s what you do with *your* mucus.”

“I just got a reminder to blink.”

“I wanna be an alcoholic next semester.”

“I used to wish I had a lisp.”

“I look like a woman? Cause I’m fuckin’ pretty.”

“Did you hear what Nancy Pelosi said about jacking off?”

“I just peed my pants a little.”

“Are you anti-baby? I’m immensely anti-baby.”

“Guys, I want something sweet and delectable right now.”

“That Young Sheldon money.”

THIS IS AN AD.

One word: **Seasnax**. This beautiful double S, roll off the tongue, delectable, yummy word is one that I will put above any other snack. Now the best thing about this snack is how versatile it is. You can use it for just about anything like in ramen/soup, with rice, with meat, with rice and meat, vegetables. When I say anything I mean anything. I don't want to get too ahead of myself since we are in a crisis and we shall not get too attached to our own well being. The salty crisis being

SEAWEED SHORTAGE.

If you're not stupid then you should know how beautiful this thin umami crunchfest is, and you should help. The seaweed lasts in the corner of odd snacks for about 1 day, then the sturdy tin bin that once had held a tower of heavenly **seasnax** is all gone. I then have to cry and cry for 2 minutes but then I quickly remember that I had prepared for this moment. That's why I have 2 packages that are sitting so pretty in my room for desperate times. Exactly, only for desperate times when I hear my stomach grumble to me the following sentence-**GIVE ME MY DAMN SEAWEED BITCH**. This is not a desperate time since I did not hear said sentence, so what do I do? I have to suffer.

Not cool.

I believe that we need to come together as seaweed lovers and demand a steady income from seaweed snacks. How else am I ever to enjoy the 3 possibilities of rice: soggy, undercooked, or dry. Life is hard and we all deserve happiness, will you join me? If you're a good person you will, just saying.
