NEW TO WINTER? SNOW PROBLEM!

Denison is a home on the hill for students from all over the world, so I thought I'd throw out some helpful Snow Do's and Don'ts to all who have never had the misfortune of seeing snow!

Do: Build Snowpeople!

"Don't you mean snowmen?" Well let's not be sexist about it.

Don't: Build snowmen around your dorm's door!

That's going to melt and you'll be left with a pile of snow, leaves and sticks around your door (cough, cough Morrow).

Do: Wear Shorts!

Pants? In this weather??? Show campus how cool and tough you are by sporting your favorite pair of golf shorts all across the snow covered campus!

Don't: Wear one of those furry russian hats!

I was made fun of for being a Tyler the Creator fan.

Do: Write in the snow!

The snow is a blank canvas just waiting to be used for artistic expression. Your initials! A smiley face (For reference: " :) "). The possibilities are endless.

Don't: Draw male genitalia in said snow!

Let's not be crass. (Or sexist!)

Do: Try Canada's finest delicacy!

Pour out some maple syrup and bring Canada's top desert to life. Spoonfuls of chilled maple syrup are a true delight for the average Canadian mouth.

Don't: Shovel fistfuls of snow into your mouth!

I got weird looks.

Do: Park on an incline!

When you start your car you'll get the ride of your life! Much more fun (and safe) than any silly little sled ride.

Don't: Leave your windshield wipers up before it snows!

If I see your wipers sticking up in the air and it's not snowing, the intrusive thoughts will win and I will snap them off. Sorry not sorry.

Do: Snort Snow!

Now that I'm writing for a comedy newspaper I've gone to plenty of Hollywood parties and every time without fail there's some cool cat there wanting to snort snow.

Don't: Snort Snow!

That wasn't snow.

Cool For Cats - Squeeze

🎵 can it!

I have never been worried about the government tracking me and neither should you. Everyone needs to know everything that I think, every opinion I have, every pop reference I’m invested in, song I’m listening to, or else I’ll never read another book, watch another movie, or menstruate ever again! What would be the point? I won’t have photo albums or home videos to show my kids/grandkids/great grandkids but what I will have are archived instagram stories of my monthly Receiptify. I won’t make any valuable contributions to society with whatever entry level job I work at but that tweet I posted got 9 likes and 2 retweets!
