Aquarius (1/20-2/18)

Look under your seat...
You just found the keys to a
2022 Honda Accord!
Congratulations!

Taurus (4/20-5/20)

Grab the bull by the horns
and take charge. Now steer
it away from that crowd of
people! Hurry!!!

Leo (7/23-8/22)

You are soo brave and
strong. Like seriously so
amazing. Wow.

Scorpio (10/24-11/21)

Tonight you are going to
come across an envelope
with your name on it. In-
side there will be detailed
instructions. Follow them
carefully and report back to
me tomorrow.

Pisces (2/19-3/20)

Do you remember your
childhood? Do you miss it?
Do you miss who you once

Hey, have you checked your
LinkedIn messages

Amazon waiting...

Aries (3/21-4/19)

You got drafted for the army
and report to bootcamp next
week. Sorry you had to find
out like this.

Cancer (6/22-7/22)

Please don't make me say it.
I really don't want to.

Libra (9/23-10/23)

If you don't know CPR
already, start learning. It is
going to come in handy very
soon.

Capricorn (12/22-1/19)

Huh...don't have a lot to say
here. Not much going on
today.. Just the usual, mun-
dane tasks you're always up
to. Okay then. Take it easy.

MONKEY BUSINESS

TREND FORECAST FOR 2024

Trends are cyclical. If we're constantly taking inspiration from the past, here's what I believe is coming BACK next year:

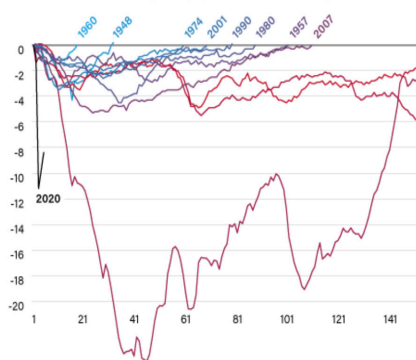

Cracked Rainbow iPhones

This easy DIY trick can turn your phone into a beautiful, and incredibly unique work of art within seconds. Mind your fingers, though.

Global Economic Depression

Percent job losses in recessions of the 20th and 21st centuries
Number of months until monthly unemployment rate returned to its pre-recession low

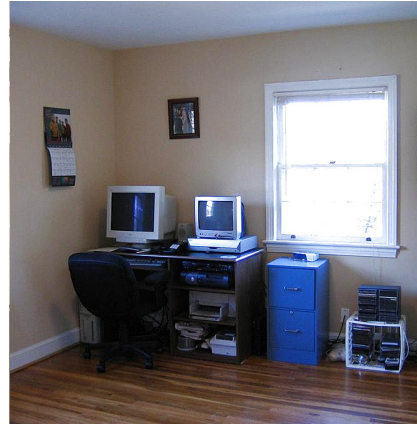

Anytime is a good time to invest in gold, but now would be especially smart.

Pyramids

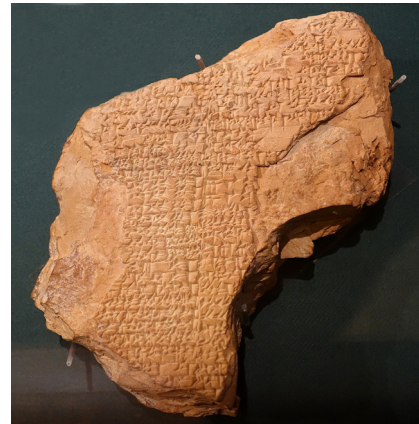

Everyone deserves to be buried with treasures and riches in a massive funerary monument. This is going to make a big comeback.

The Family Computer Room

That's right...need to turn in that essay before your 11:59pm deadline? Too bad! Someone downloaded too much Custom Content for Sims 3 and now the computer crashes everytime it wakes up.

Clay Tablets

Paper is out and clay is in! Now you'll never have to worry about losing an assignment OR the state of our rainforests. You might want to invest in a stronger backpack, though.
