THINGS I WISH I BOUGHT ON SPRING BREAK

Claire Anderson,
full of regret

KENNY CHESNEY SUN CITY CARNIVAL TOUR 2009 SHIRT

Do I listen to Kenny Chesney? No I do not. Is this is a hilarious shirt? Yes it is! Look at that pose, one-handing the guitar behind the back. So sick. Toes in the sand not a care in the world.

ALICE COOPER SUPER HITS CD NICE PRICE

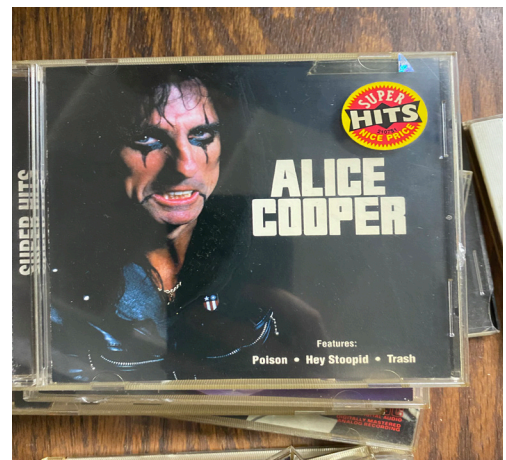

Do I listen to Alice Cooper? No I do not, but this CD stopped me in my tracks. Why does he look like he just got done chasing a kid down a hallway? I also love the three songs they decide to sell you with: Poison, Hey Stoopid, and Trash. Banger after banger after banger I'm sure.

DILLY DILLY SNOOPY SHIRT

Awesome shirt.
Love Snoopy.
Love beer
#beergirl

I either would have worn this everyday if I got it or never once.

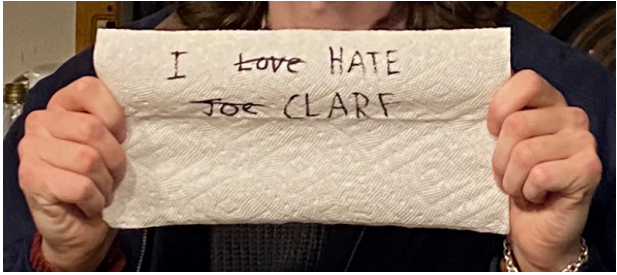

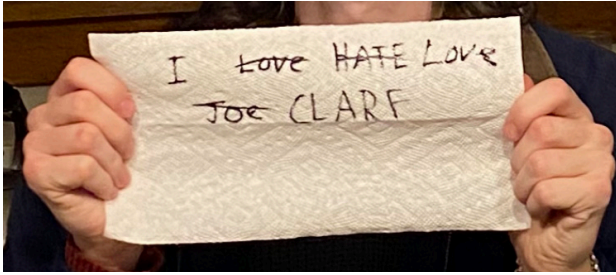

BLUE M&M PLAYING SAXOPHONE WITH SUNGLASSES ON
This is basically the best thing I have ever seen in my entire life. He looks so MF cool. I love that his right hand is just on the instrument and not touching the keys. Doesn't even matter he doesn't even need to he's a blue M&M! The only reason I did not immediately buy this thing is because it was actually quite large and I didn't want to carry it around with me the whole day and also because it was \$22 and at the time that felt like a lot but now it doesn't. I miss saxophone blue M&M. If I had it I would listen to jazz and imagine its blue M&M playing.

A SHORT SURVEY

Claire Anderson,
Gum Chewer

Please check the answer that best describes you.

Question 1.

Have you ever swallowed your gum?

YES

NO

Question 2.

Do you swallow your gum almost every time you chew it because you thought it was folklore that swallowing your gum is bad for you?

YES

NO

Question 3.

Do you know how many pieces of gum make up a "mega-wad" of gum?

YES

NO

If you answered yes to none of these questions, good for you I guess. If you answered yes to one of these questions it must be the first one. If you answered yes to two or more of these questions you are not alone. If you answered yes to all three of these questions you are a freak. No way you know how much gum makes up a mega-wad of gum. No person should know that.
