I COPIED EVERYONE ELSE’S IDEA

Brin Glass,
Unoriginal

Yeah, yeah Gwyneth Paltrow is cool, but I’m ready for some poets. More specifically, the most awesome dude, John Berryman. Here are the staff members as lines from Berryman’s poems.

Betsy: “Unknowable, as I am unknown to my guinea pigs: how can I ‘love’ you?”

Mick: “Collating bones: I would have liked to do. Henry would have been hot at that.”

Evie: “You can biff me, you can bang me, get it you’ll never.”

Claire: “Some hang heavy on the sauce”

Will: “-end anyone and hacks her body up and hide the pieces, where they may be found.”

Blythe: “I may be only a Polack broad but I don’t lay easy.”

Ellie: “Henry became interested in women’s bodies, his loins were & were the scene of stupendous achievement”

Caroline L.: “Gentle friendly Henry Pussy-cat smiled into his mirror, a murderer’s (at Stillwater), at himself alone-”

Lena: “I am dreaming of my love’s hair & all her front teeth are false, as were my anti-hopes.”

Lauren: “one pal unwinding from his labours in one bar of Chicago”

Caroline C.: “Euphoria, Mr. Bones, euphoria.”

Griffin: “They march about, dying & absurd. Toddlers are taking over.”

Carter: “Sober as man can get, no girls, no telephones, what could happen bad to Mr. Bones?”

Emmy: “I am the auto salesman and love you.”

Micah: “Hey, out there!--assistant professors, full, associates,--instructors--others--any-- I have a sing to shay.”

Selah: “I am the little man who smokes & smokes.”

Ella: “I figure, yup, you is bad powers.”

**MOVIE IDEA! PLEASE DON'T STEAL!

Griffin Conley,
Cinema Major

Jane Goodall realizes “Hey, I need to make some money to fund my research”. After striking out being a zookeeper (kept trying to get to know the animals) or being a vet(released into the wild several house cats), Dr. Goodall gets a phone call from a spam robo caller. As Dr. Goodall gets more and more worked up, an idea is hatched. With the help of some unknowing monkeys and a large empty building, Dr. Goodall gets to work setting up a spam call center. Hilarity ensues as the monkeys keep raking in money from phone calls. Final scene would be the monkeys on a retreat at the Statue of Liberty with one “ooooohahahahing”(a translation will read “We should get one of these” **Monkey War Movie reference**). I’m imagining Erin Doherty from The Crown and at one point she makes a joke like: “It might not be typewriters, but damn those monkeys can call”. Or her when explain her idea to a deadbeat boyfriend(**Devil Wears Prada cook type**) “Well I am not expecting them to get me Shakespeare, just Grandma Patty out in Iowa to pick up”
