QUIZ! TAKE IT!

Micah,
On the FBI's most

As a girl who grew up on BuzzFeed personality quizzes, I am completely dependent on sets of random, meaningless questions to tell me who I am. There is no piece of my identity that wasn't formed by quizzes like "Which Disney Princess Are You" (Ariel) and "What Kind of Wedding Dress Should You Wear Based On Your Favorite Breakfast Foods" (ball gown). But I noticed there was one quiz missing; one quiz that would tell me once and for all who I really am. So I decided to make it myself. You're all welcome.

RESULTS

Mostly A's: Alice Marie Johnson

Congratulations on your release! And a pardon supported by THE Kim Kardashian, nonetheless! You served 21 years in federal prison for cocaine trafficking, which was way too many years imo. Plus you were a model prisoner. Even the warden supported your early release. And now you're a criminal justice reform advocate! Honestly, you're kinda badass. I respect you.

Mostly B's: Ruja Ignatova

Don't tell the others, but you might be my favorite. You're currently on the FBI's Most Wanted List for leading a massive fraud scheme called OneCoin that fucked over millions of investors. They call you a criminal, but I say you're an entrepreneur. You're known on the streets as "CryptoQueen"-- I mean come on, that's fucking awesome. According to the FBI, you may have gotten plastic surgery to avoid getting caught. So for all I know it really could be you!

Mostly C's: Lenny Dykstra

Uh-oh, jock alert! You're a former MLB player (center field, but idk what that means) with somethin to prove! You filed for bankruptcy in 2009 and were subsequently charged with bankruptcy fraud in 2011. That was quickly followed by grand theft auto and drug possession charges... what a life you've lived! Luckily for you you're a white man in America, so you only served 6 ½ months in prison.

Mostly D's: Isabel Pantoja

Famous Spanish singer and convicted felon?! Who says women can't have it all??? You've released dozens of records and still found time to marry a bullfighter (which is awesome). When he died, you took a hiatus before releasing even more beautiful music. But in April of 2013, you were arrested for being an accomplice to your ex-boyfriend- the MAYOR of Marbella- and his money laundering scheme. Truly a renaissance woman.

Mostly E's: Sal Magluta

You're the big leagues, my friend. In 1996 you were tried for an insane amount of drug trafficking charges along with your partner, Falcon. Clearly Falcon was the cool one (just look at his name)- but you never let that get you down. You were found not guilty at the end of the trial, only to be re-tried in 2002 for bribing the jury and some extreme obstruction of justice. You were
