Vol. XLIV, No. 33

## SOCKS REUNITED

Caroline Lopez,  
Junior Editor

There ain't much to say here. I've been missing a true pair of my precious Bombas socks for two years now. Somehow they got separated when I went home for Winter Break freshman year, and I've been staring at a solo sock in my drawer ever since. But when I went home at the end of this summer, I found the other sock. Forgot about it until now, and had the aha moment yesterday when I was reorganizing my sock drawer. Anyways, they've been united and I couldn't be happier. Here they are, the little bastards:

# CAROLINE CONCANNON, I AM SO SORRY

Caroline,  
Clearly the imperfect one

Today, Griffin did a lot of annoying things. But he did one good thing: told me that it has not, in fact, been Emmy delivering the Bullsheets that I edit this year, but that girl who shit her pants, Caroline Concannon. Unfortunately, I've been publishing every 'sheet with Emmy's name instead of Caroline's. So, Caroline. I've written out a heartfelt apology below, which I hope you'll take. Please write back, I'd love to make ammends.

But The Bullsheet isn't very interesting is it? So let's go on the toxic gossip train. Locomotives filed fueled with hateful accusations. The toxic gossip train. Steamrolling all over someone's reputation.

Toxic gossip train, hop on board but close your eyes otherwise you'll realize that the train is made of lies and that the person you despise maybe didn't deserve to die, but hey at least you're having fun.

In all seriousness, I do think it's really important to hold people accountable for their mistakes um you know we should hope that everyone can learn from their mistakes and grow and change their behavior and be a better person. This is something that I've always tried to do when I make mistakes. It's something that I will continue to try to do...

What oh you don't care oh okay I thought you wanted me to take accountability but that's not the point of your mob mentality, is it? No, your goal is to ruin the life of the person you despise while you dramatize your lies and monetize their demise ... yeah.

I feel like I can already hear the comments on this apology: she's gaslighting, manipulating oh she's a narcissist and a rat, I would never make a mistake like that.

Oh I'm sorry I didn't realize that all of you are perfect, so please criticize me. Bring out the daggers made from your perfect past and stab me repeatedly in my bony little back. I'm sure you're disappointed in my shitty little song. I know you wanted me to say that I was 100% in the wrong. Well I'm sorry, I'm not gonna take that route of admitting to lies and rumors that you made up for clout. Hope this helps!
