“A DAILY PUBLICATION THAT’S PUBLISHED DAILY”

Vol. XLIV, No. 34

A BOOK OF RECIPES

Emmy Ayad, ingredient expert

(I’m personally of the belief that everyone can cook, all you need is a good recipe. But, it can be difficult to find the right one. So many websites, books, and pushy old ladies offering up their family-famous jam cookies. I wouldn’t blame you for giving up completely. So, here I am, giving you a taste of my book of recipes. They have been a heavily sought-after secret for decades. And I give you full permission to use them. Now you can see how your favorite items are made. Use them well, use them wisely, use them sparingly)

A Denison Student

Preheat oven to 420

1 slightly pretentious music taste

5 tablespoons of self-centricism

3 1/2 cups of tendencies of passionate, pointless rants

2 HEAPING shots of vodka

2 Glassy eyes (Vacant Stare brand is best)

Zest with twenty-dollar-bill shavings

Garnish with a tote bag and cuffed jeans

A Functioning Fraternity

An iPhone with “Closing Time” queued

4 heaping cups of beige khakis

A dozen bottles of water

1 1/2 popsicles - broken apart

Stir constantly

Several burnt-out lightbulbs

4 whole Solo cups

Drizzle with Natural Light

Pop it in the microwave and serve

A Denison Campus Road

1 tablespoon of asphalt

2 tablespoons of concrete

A pinch of salt

Mash carefully, leave no parts undisturbed

Pre-add your flattened beverage cans

In a separate bowl, combine any leaves or acorns you have on hand

Wisk to combine

Serve lumpy

A Bullsheet Article

Wisk 2 eggs

A light dusting of words to the page - no need to overdo it

Mix in a list of the Staff Members if it turns out too dry

A dash of Carter Seipel wit

2-3 cups of uniquely organized images

Be sure to publish every day (did you know we publish every day?)

Add an optional color photo on the side

Serve cold

CAROLINE'S RESPONSE

To my namesake,

I made a severe and continuous lapse in my judgment and I don't expect to be forgiven. I read your heartfelt apology and realized the gravity of my actions. I should have told you sooner. You shouldn't have ever been in the position where you had to ruin a celebration of sock reunion with apologizing to the girl who according to every person on the Hoaglin Wellness Center medical staff "should be wearing a diaper 24/7". How did everything get so wrong? We both just got so caught up in our own little Bullsheet worlds. Yours-writing Emmy's name instead of mine every week, and mine-checking every morning and laughing every week you didn't catch that I was the one delivering. I don't say this to make you feel bad. Come on, you know us. We're not like that. My point is that I could have and should have told you that you've been giving Emmy credit for delivering in order to save you from what we both fear the most: Griffin's wrath. He knows how to hit you where it hurts. He can formulate an argument and weaponize it. Model UN didn't raise no bitch. Real Housewives is not a positive influence for him. All this is to say that there's been too much hurt going around, and I think we both can agree that its time to heal. So, what do you say? Carolines against Griffin?

Yours,

The even more sorry Caroline

Jk we love you Griffin <3. Please don't leave me lover.
