CHRISTMAS SHOPPING LIST

Leah Jackson,
Sophomore Writer

Now that thanksgiving is over, it’s officially time to start Christmas shopping. I’ve been told I have a talent for gift giving, so as the extremely talented and humble giver I am, I’ll help you guys out. Here’s what I think you should give your friends this holiday season based on their major.

Bio: Disney gift card- they sell these at the Granville post office. I’ve heard it gets you six minutes alone with mickey and a complimentary breath mint

Philosophy: Bowling ball- you know what they say about only being good at one thing, time to start practicing!

Studio art: Great for the whole family!

Envs: Jeets! Denim sheets! And Jillowcases! Perfect for you lovers of the canadian tuxedo and all things uncycled

Psych: Cloud slime guys. Put the restock on your calendar. It's gonna be big. Huge.

Econ: Stupid baby phone

Anso: This one is a DIY, crochet assless chaps

Cinema: One billion dollars.
(I accept cash or check)

Education: Blood pressure medication

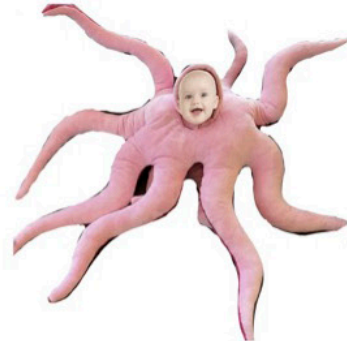

Comm: Magnets

History: Wax figure of Queen Elizabeth Candle- they're gonna love this one

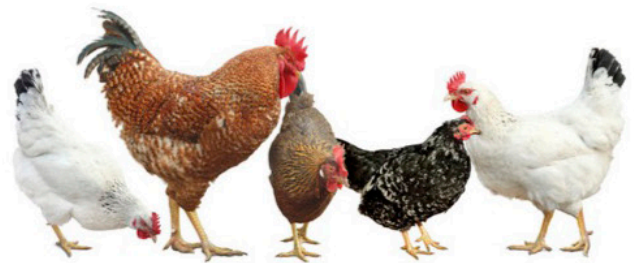

Music: Give them this octopus costume and promise them your firstborn child

Art history: A fucking chicken

English: A bunch of fucking chickens
