QUAD CONCERT REVIEW

Caroline Concannon,
Too Adjacent

Wow, it happened!

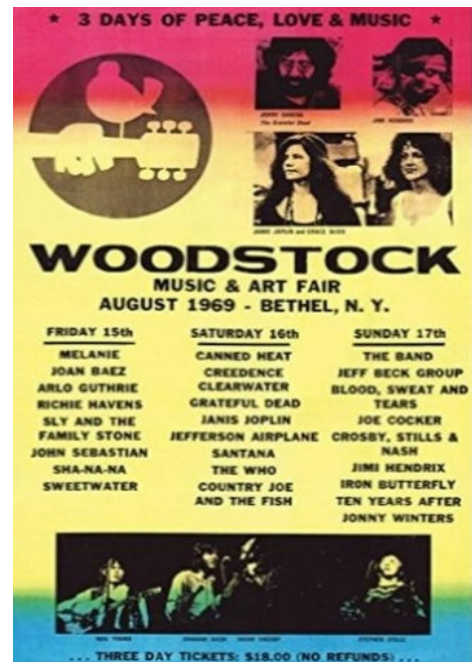

WHAT YOUR POSTER FAIR PURCHASE SAYS ABOUT YOU

Caroline Concannon,
Poster Obsessed

I just hope you know that it's ok to cry. In fact, I would really like to encourage you to use this sheet for any tear drying needs. The Bullsheet is always proud to be a source of comfort for whenever you really hate this school.

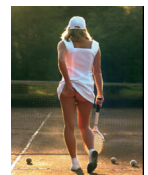

You bought this poster in a completely fear-ridden state of mind. You think the design is sick and know the perfect place that it will hang in your living room. But you know that it only takes one Doobie boy at your party to ask for your thoughts on one of the five artists that you don't know for it to be ruined forever. I know you because you are me.

LEISURE RULES

There is NOTHING wrong with being Neutral Man! Every girl that agrees to go back to your room will be so much happier that she is with Neutral Man instead of the man who bought the tennis girl butt poster.

Malcolm McDonough '24, we miss you when we blink! The sheet doesn't feel the same since you've graduated. I hope your door of sheets will carry on to the current generations of Denisonians

<3.

I hope you find the peace you deserve and that this campus can never give you.

After a slanderous campaign and vicious election, I am proud to announce that I am President of the Erin Oberle fan club. Thank you all for this prestigious honor. I won't let you down! - Conky
