WTM FALL BREAK??

Micah,
Big Chilling

Still trying to figure out what you're gonna do for fall break? Well it's a little late now, isn't it?! Luckily I've got some suggestions:

- Invite yourself to go home with one of your friends. Take their silence as an emphatic yes. Hang out exclusively with their parents. Unsuccessfully seduce their mom and/or dad. Deny it vehemently when confronted. Get kicked out and hitchhike back to Granville.
- Go to Florida and be really confused about why no one else is Spring Breaking. Ask random people to take their tops off. Get arrested for public indecency. Post bail. Fly back to Denison a changed man.
- Camp out in the Bullsheet office. Bring lots of snacks and make a jillow jort out of the jouch. Get cozzyyy. Stay there so long your body molds to the jouch and you can't get up. Become a member

- of the Bullsheet.
- Listen to Fontaines D.C. Hike at 8:30 in the morning like a manic. Go to Mazu, but only twice. Do a lot of puzzles.
- Get your wisdom teeth taken out. Have someone record you while you're under and saying a bunch of stupid stuff. Ask them to post it on TikTok. Go viral. Get invited to be an Apple girl on the Sweat tour. Wonder if that reference is going to go over too many people's heads for you to put it in a Bullsheet article. Decide to include it anyways.
- Go to Carter Seipel's house and meet his wife. Ask her if she wants a gay son or a thot daughter.
