GRANVILLE'S MOST LAXATIVE BASED PUBLICATION

Vol. XLV, No. 27

THE PISS KING.

Caroline Concannon,
"Pee".I.

It was brought to my attention by a trusted source in King that someone has been peeing all over the first floor communal bathroom. They came to the right writer because I'm not going to stop until I find the culprit. Now, don't think I haven't considered all the obvious ways of going about this. Tracking potential piss trails from the bathroom door down the sticky hallway, asking the person who told me about this if they were actually the person doing it and were telling me because they wanted more people to talk about it, if they said no then asking everyone in the building if they did it, putting sterile urine sample cups outside of doors in King to see if they would take the bait. You can run forensics on pee, right? Honestly it doesn't even matter. All of this seemed like way too much work in comparison to a much simpler, foolproof strategy for bringing out the wetter. Going to the public at large to bring them out through a thorough questioning.

Take this quiz to find out if YOU'RE the Piss King!

- 1.) Which of the statements below most align with your personal beliefs?
 - a.) Poop is so fun and awesome to throw around a bathroom!
 - b.) I haaaaaate pee.
 - c.) I respect the incredibly hardworking and underpaid BSA who has to clean up after me and a bunch of other spoiled students who get to experience an incredible education.
 - d.) My favorite pastime is peeing on whatever I want.
 - e.) All of the above.

- 2.) Which of the statements below least align with your personal beliefs?
 - a.) Never have I once peed.
 - b.) I only pee in the shower.
 - c.) Poop is my favorite toy.
 - d.) I have never peed all over the King first floor bathroom.
 - e.) None of the above.

- 3.) How does the image to the right make you feel?
 - a.) Positive
 - b.) Negative
 - c.) Numb
 - d.) I have done this exactly and it happened to be all over the first floor bathroom in King.
 - e.) Other: _____

4.) *Scenario:* Someone walks into the King first floor bathroom at the same time as you. You both smell the pungent odor of dried up piss. They turn to you and say, "Can you believe that someone would do this? Who could ever be so entitled and narcissistic to behave this way? Something must be seriously wrong with them."

You reply...

- a.) "I know, I feel horrible for our BSA. No one should ever have to deal with this."
- b.) "They must have never learned what respect is. Or, hygiene for that matter."
- c.) "They really let anyone into this school."
- d.) I am the person who did this and the only thing that is wrong with me is that my bladder is too small and it should be able to hold more pee for me to excrete wherever my genitals desire."
- e.) "I'm so disappointed that this keeps happening. A really funny, cool, and smart Bullsheet writer should cover this to catch the culprit!"
