PARTY 101

Higley First Floor

Spent too much time in the library this semester?

Actually paid attention to your W101?

Tried to get involved in extracurricular activities?

Have no fear First Years! The FYE anticipated that you guys were too nerdy to try to party and are now nervous to head home. It is not a good look for Denisonians to be lame at house parties over break!

In collaboration with Campus Safety, the FYE would like to announce our inaugural Party 101: How to Rage!

Swing by the Party Locker on P1 to learn firstly what a keg is, how to tap one, and what to do when someone asks you to stand on it.

For those really trying to break a nerdy streak, get ready for hands-on experience with a bong!

*Buzzy will be in attendance.

It's never too late to learn! The Knowlton Center's got nothing on this career, nay, *life* advice.

Take it to Long John Silver's. Feed it a fish stick.

WHAT'S WITH THAT DAMN M&M?

Caroline Lopez,
Managing Editor

You know. The one in the garbage truck. I'd like to think of the driver and M&M as a real life Thelma and Louise, but without the entire plot of Thelma and Louise because I don't think the M&M or the driver killed anyone. Maybe the M&M is just Susan Sarandon in disguise. She's sick of Hollywood-Central Ohio was the breath of fresh air she so desperately needed. Or maybe she's method acting! Prepping for her role as the red M&M in a fiercely feminist M&M biopic directed by Greta Gerwig. What I know to be true is that there is a stuffed M&M in the Denison-branded garbage truck. Its backstory is nebulous, its name unknown, and its intentions? Sinister, at best.
