MY AIRPORT DOS AND DON'TS FOR THE TRAVELERS OF DENISON UNIVERSITY

Ella Buzas,
has been on an
airplane before

DO

- Arrive at your gate an hour before boarding. Great people watching and good to do some homework (or rot).
- BRING SNACKS! You don't want to pay \$8 for a bag of chips.
- Be prepared to take your laptop out of your bag and your shoes off your feet in the security line (unless the machine looks like an MRI machine, then the laptop stays in!). You're holding us up. Be ready, be alert!
- Wear layers that are easy to remove. Sometimes the plane is hot, and sometimes, it's freezing, and sometimes, it's both over the course of the flight.
- Dump your water bottle BEFORE getting in the security line (please)
- Wear compression socks to encourage blood flow on the flight
- Stretch before getting on the plane (you'll be sitting for a whillllllleeeeeeee)
- MIDDLE SEAT GETS THE ARMRESTS.
- Stay in your lane. You have one seat. I don't want your feet crossing over into my leg space.

DON'T

- Cough/sneeze obnoxiously. You learned this in kindergarten. Cover your mouth.
- Take overhead bin space that does not belong to you. They can fit three bags, and there are three seats. Your purse can go under the seat in front of you.
- Use the bathroom more than 1 time per 2-3 hours (unless you have an aisle seat, or you absolutely need to). Try your best to hold it, it can be very awkward trying to navigate the narrow aisle with people trying to get to the bathroom.
- Be rude to the flight attendants.
- Be rude to the airport staff

CHRISTINE'S ALBUM REPLAY PART 4.

Christine Trueh,
running out of music puns

Hey guys! I hope you had an amazing break! We only got a couple more weeks left in the semester so I'm about to speed run this shit. Prepared to be SICK of ME!

Top 5: April (average score: 6.7)

Symphonique - Édith Piaf

Favorite Song: Milord

Thankful for the three semesters of French that allows me to understand at least %34 percent of the song.

Frank - Amy Winehouse

Favorite Song: Lovesick

We lost a gem too soon. What a voice.

Building Balance - Allen Stone

Favorite Song: Give You Blue

Allen Stone is so majestic. This whole album is groovy. I saw him in concert during the summer and one thing that I noticed is that has AMAZING hair—and the craziest beard. He needs more recognition, if not for the album..at least let it be for his style.

I Can't Stand the Rain - Ann Peebles

Favorite Song: Do I Need You

This whole album is incredible, but I especially love this song. What a soul queen, and honestly, I can't stand the rain either.

Brand New Eyes - Paramore

Favorite Song: All I Wanted

ALL I WANTED WAS YOUUUUUUUUUU AHSDHJASFJASNKFHBADKJSFBAKJSFDB
