Welcome Back!

Thanks for your patience and support. As a result of President Weinberg's efforts, The Bullsheet is back in the U.S.!

We will continue to write smear campaigns, defame without using anyone's last name, and make you wish we weren't so god damn funny! 😂

WELCOME BACK! LETTER FROM THE EDITOR

Caroline Lopez,
Managing Editor

Welcome back! Or welcome, if you've never been here before. We are The Bullsheet and we take making fun of you very seriously. My final semester at Denison began with my car getting towed in the Silverstein parking lot yesterday. Whoever was sitting in their car filming that happening, know that I saw you and felt sad and wanted to pop your tires, but then realized that I would have done the exact same thing if someone's car was being towed. I forgive you! Thanks to **Joe Hegenderfer** in Campus Safety. First Bullsheet shoutout! Someone's having a good semester. The rest of you, have an even better one.

:)
