THINGS THAT COULD TEMPT ME IF I WAS ON SIDEMAN: ISLAND

Christine Trueh,
youtuber

The past week, I've been spending my time watching the Sidemen's new reality show (I thought they were YouTubers???) and I can't lie.. I kind of enjoyed the watch.

The series is based on a group of influencers who compete in challenges to secure a prize fund totalled at £1 million, and everything they buy or do cost money. The purpose of the show was that 10 influencers stay together in a house for a week where they compete in multiple challenges throughout the time.

They would also have a series of 'temptations' in which Insiders are secretly tempted to spend money from the prize fund. Now, after watching all episodes and a THRILLING reunion episode, here are some of the things that I think would tempt me, if I got given the chance:

1. A dinner with Ben Chilwell (couldn't help myself)
2. A first class international flight to Paris
3. An army of squirrels to do my bidding
4. The ability to know every YikYak users' real identity
5. A chair lift that I can use to go up and down the hill
6. A Denison Diploma frame (those things cost hella money anyways)
7. A dinner with Jay-Z
8. 4 molten lava cakes from the Nest
9. a horny beast (stuffed unicorn I mean...)

And here is the list of things I would spend money on in the store:

1. A horny beast (hehe, I want that stuffed animal)
2. A meal upgrade (can't be eating rice and beans all day)
3. Hot shower (out of your mind if you think I'm taking a cold shower for a WEEK)
4. A fanta lite
5. A harmonica
6. A golden straw
7. A chicken avocado sandwich from Bon Appetit (I miss these SOO bad!!!!)
8. Anything with red dye #40 (im struggling out here in switzerland)
9. Chippy chips
10. A ball pit (definitely need something to pass the time)
