DISNEY MOVIE OR DONALD TRUMP?

Brin Glass,
bipartisan

If you didn't watch the President's speech during the joint congressional session, I don't blame you! But I want to play a game. Just like JigSaw. It's simple: **WAS THIS A DISNEY MOVIE QUOTE OR DONALD TRUMP?**

1. "I LOVE THE FARMER. TO OUR FARMERS, HAVE A LOT OF FUN. I LOVE YOU!"

2. "POCAHONTAS SAYS YES!"

3. "THIS IS THE BEST EVER!"

4. "I'M GOING TO USE THAT BILL FOR MYSELF, TOO, IF YOU DON'T MIND."

5. "WE KNOW WHO TO BLAME IF THIS GOES WRONG!"

6. "OUR COUNTRY WILL BE WOKE NO LONGER."

Answer key: they were all Donald.

WHAT DOES THIS SPEECH GET?

YOU'LL NEVER GUESS,
bipartisan

SEVERANCE, NOT ENOUGH PEOPLE ARE TALKING ABOUT IT

Caroline Tikkenan '25,
guest submission and wonderful person

Severance, have you ever heard of her? One body, two consciousnesses. A company called Lumon has a severed floor, where the information is sensitive enough for the workers to be severed. They (the outtie) go to work, then ding, their back, then the innie (The one at work), wakes up wondering who they are. They leave work, ding, they're back at work, they never leave! we follow the character Mark, a depressed middle-aged guy (played by the same guy who plays Ben in Parks and Rec), whose Innie begins realizing some corrupt shit, and whose outtie might be too. Oh, and remember that really awesome movie Night at the Museum, and the good laugh Zoolander, well Ben Stiller, the same guy in those, is the executive producer and director.

Are you hooked yet? Probably not. But if that hasn't reeled you in, maybe talking about the Severance community will.

Going to class, ask if someone has watched Severance, if no, then you have the epic opportunity to introduce them to their new favorite and mind-blowing show, and if they say yes... BAM, new friend alert!! There are so many things to talk about regarding Severance, different theories, little easter eggs people noticed, crazing show-altering moments, and instant conversation that can last any length of time. So really if you're looking to make some new friends and want to have an awesome show that gets you hooked and thinking about so many things, and you want to be cool, watch Severance, and... let me know what ya think.
