Dear fellow Rising Seniors,

I have sent this message a very long way. I can only hope that 3 days is enough time for this bottle to float across the Tyrrhenian Sea and the north atlantic ocean and whatever they call the sea off the coast of Spain. I am writing to warn you. The Bullsheet is planning something evil. As a former victim of Denison's housing processes I know it can be a delicate subject. Use Caution when checking your email. I cannot say too much, but all will be revealed on April 1st, 2025.

Best, Leah Jackson
